ABOUT THE COMPANY

- ▶ JMSES is a reputable company in the Oil and Gas industry. We have been servicing the oil and gas industry since 1990. Our Company maintains a skilled workforce to service our clients. Our workforce are duly certified by Pilipinas Shell, known for their strict compliance in Health and Safety, as well as quality workmanship.
- ▶ We were the General Contractor in PANDACAN DEPOT (PDSI) from 2010 till 2015. The three (3) Oil companies in Pandacan Depot are SHELL, CHEVRON and PETRON. JMS and Engineering Services offer the services in construction, piping, fabrication, commissioning, repair and onsite maintenance of all equipment in the depot. And we have a very good track record in SAFETY.
- ▶ The Gantry /TTLR, Control Systems, Fire Fighting Equipment and Systems, ACU units, Instrumentation and Electrical works are covered by Our Maintenance Team. Calibrations, Hydro and Leak Test can be done on an arranged schedule. We can also do civil at structural works medium horizontal and vertical. Sourcing of some parts can also be provided from our contacts overseas. We also serve a medium spectrum of the economic sectors in the Philippines such as Manufacturing and Shipping.

VISION

Our Vision is to be a company that aims to provide a sustainable growth in the Oil and Gas industry. While consistently contributing to Nation Building and at the same time find ways to help protect the Environment . Promote and Successfully Manage the Health and Safety in the Work Place.

MISSION

- ▶ To cater and customize our services to the needs of our client
- ▶ To uphold high ethical performance standards in the field of Oil and Gas including other related industries
- ▶ To provide a beneficial working environment to our employees
- ▶ To uphold and practice health and safety rules in our working environment
- ▶ To protect the best interest of our shareholders
- Profitable growth through superior customer service, innovation, quality and commitment.

CORE VALUES

We believe in treating our customers and staff with respect and faith. We grow through creativity, invention and innovation. While we integrate honesty, integrity and business ethics into all aspects of our business.
